

School Mascot

Blue Angels is the mascot for St. Francis Xavier Preparatory School. A recognized symbol of heavenly intervention, the power of angels is tremendous. Biblical accounts remind us that angels have received a divine delegation through whom God reveals himself. We would do well to recall this context and to remember all strength and goodness comes from God. As Blue Angels, we are called to be the visible manifestation of God as witnesses for Gospel truths.

The Blue Angels, like the Navy precision fighter team of the same name, are a symbol of tremendous strength and power. At St. Francis Xavier Preparatory School, the power of Blue Angels calls for our commitment to live out the meaning of Gospel truths. Our power, our calling, is to be instruments of God's peace.
