SUMMER

Summer Reading Assignment

Your child must complete their Summer Reading assignment. He/she should complete the assignment during the summer and be prepared to discuss and be tested on the assignment during the first week of the academic year. Reading assignments include literary and spiritual works. The assignment will be available before the end of the academic year. This information will be available on the school's website under the Parents tab.

Summer Office Hours

The school office is open throughout the summer from 9:00 AM - 3:00 PM Monday - Thursday. Beginning August 14, 2017 our regular office hours are 8:00 AM - 3:30 PM.

Summer Christian Service

Your child may participate in summer Christian service experiences led by JP II's College Intern from The College of the Holy Cross. These optional experiences allow new students to get to know one another in a relaxed setting. Information will be provided in July.

New Student Orientation

Freshmen and transfer student orientation will take place on Wednesday, August 23 from 2:00 – 5:00 PM beginning in the cafeteria. All new students are asked to attend this orientation. They do not need to be in uniform on this day.

There will be a parent session from 4:00 – 5:00 PM and a new family cookout from 5:00 – 6:00 PM.

During this time, your child will discover what it takes to be successful at JP II HS. He/she will be in small groups led by student ambassadors. A review of procedures and policies will help your child with the "ins and outs" of JP II HS. During the day they will also have an opportunity to make their locker selection. The day provides an excellent opportunity to meet classmates and staff before school begins.

OFFICE INFORMATION

There are two full-time Guidance Counselors serving JP II students.

Working in collaboration with our faculty and staff and in partnership with you, the Guidance Department serves to enhance the development of the academic, physical and spiritual lives of your child. The Guidance Department provides academic counseling and scheduling assistance as well as guides you and your child through the college search and application process with annual presentations, group workshops and individual meetings. One of the goals of Guidance is to foster an environment of respect for learning and intellectual accomplishment. Your child will be provided with appropriate support and resources to develop habits and skills in the areas of goal setting, integrity and diligence. For any questions, contact Mark Tanguay at mtanguay@jp.dfrcs.org or Maureen Hufnagle at mhufnagle@jp.dfrcs.org.

Semester grades are determined as follows: first semester grades = first quarter grades 20%, second quarter grades 20%, mid-year final exam/project 10%; second semester grades = third quarter grades 20%, fourth quarter grades 20%, end-of-year final exam/project 10%.

Report cards will be emailed mid-November (1st quarter), late January (1st semester), mid-April (3rd quarter), and late June (final report card). Report cards may be held if a student has overdue fees or discipline issues. Interim grade reporting (half-way point of each quarter) will be communicated via the ParentPlus portal.

Your child is expected to have the required materials for all classes on the first day of school.

STUDENT LIFE**Activities Fair**

During the first term of school, student activity representatives will be in the cafeteria to promote student activities and clubs. Your child will have a chance to join an activity/club at that time.

Pictures will be taken for all freshmen, sophomores and juniors early in the school year. Pictures are taken by LifeTouch. Package prices and order forms will be made available in the main office and by email to each household. Please keep in mind the school policy of being neat and modest for their picture.

Spirit Week

One of the major social events of high school is Spirit Week. There are competitions during lunches and special dress days as well. The homecoming football game will be played that weekend with a dance in the evening. Dress is semi-formal but in keeping with the dress code for student events. Consult the school calendar for the dates, theme, and activities for Spirit Week.

Sports Parent Meeting

All parents of student-athletes are required to attend a meeting each season (fall, winter, spring) to review expectations, policies, and additional related matters with the athletic director and coaching staff. Dates and times of the meetings will be distributed before each season.

Sports Physicals and Medical Information

If your child is participating in an interscholastic sport, he or she must have a signed physical (within the past thirteen months) on file with the athletic director prior to his or her first practice. All families are required to sign up on Family ID, our on line athletic registration system, which includes the Medical Questionnaire and Concussion information paperwork. Physicals that lapse after practices have begun are no longer valid and must be updated in order to continue playing that season.

Sports Practice Dates

You will be given a pre-school opening practice schedule during the Sports Information Night. Practice and game schedules for each sport will be distributed by coaches at the end of this meeting.

Sports Practice Schedules

Interscholastic sports are an extension of the school day and are considered co-curricular in nature. Therefore, St. John Paul II High School student-athletes are expected to be present at all practices and games. Unexcused absences will result in a one-game suspension for a first offense. Please be mindful that teams do practice and play during school vacations and holidays.

Uniforms

Please refer to the dress code policy included with this booklet. Donnelly's is our ONLY approved uniform supplier. Students are expected to be in uniform on the first day of school.
