Payment Options

Lunch payments will be online *only*. Parents have the ability to pay the following ways: via ACH where you enter your checking account bank routing number and your account number, debit card or credit card. Please note that the following convenience fee will be added to your total food costs:

- ACH Payment - \$1.50 per payment
- Debit or Credit Card Payment - \$3.50 per payment (**Master Card OR Visa only**)

A convenience fee is a processing fee that covers the cost of offering online payments. We highly encourage you to create your order for all children and for the maximum available ordering days at one time. This way you will limit the convenience fees paid. Also, use the ACH payment option. It is less costly than the debit/credit card transaction costs.

Note: If an ACH payment is rejected or returned by your bank, your account will be billed the returned payment fee SJPIIHS incurs which is \$25.00. This will be added to your account and will need to be satisfied with your next order.

(see next page for instructions to **create an account**)

2. Select the **First Time User** link found on the left side.
3. On the next page, enter our school code: **358PJPIHSMA**

***Sibling at SFXP:** Parents with students in both schools do not need to make a separate account they just need to add JPIIHS to their existing account. This way they have one username and one password. If the family logs into their original account on the main page before they click into lunch there is a button on the left side of the screen that says Request Dual School. If they select that button it will prompt them for another school code and then they will be able to access both schools from the same account.

Lunch Ordering

1. Select PLACE ORDER, view the menu, and submit a separate lunch order for each child.
2. Select REVIEW ORDER on the bottom of the page and then SUBMIT ORDER to confirm the order.
3. Order Confirmation page appears. A confirmation email will be sent. (If you would like, select VIEW ORDERS to review what you ordered. You can view and PRINT your orders anytime.)
