6:30 P.M. – show time

Hope to see you at the show!

SHINE THE LIGHT OF JESUS

This month we will focus on Thanksgiving. The students will learn about those in need and how we can help them. We will be participating in a Food Drive to help those who are in need of food not only for Thanksgiving Day but for every day.

Students will be encouraged to bring in a can good to put in the basket in their classroom. This is a way to Shine the Light of Jesus and help others in need.

Ripples on the Tides

Dear Parents,

The month of October had some great events. Many of students had field trips. The school celebrated Halloween with a Trunk or Treat event, the day of Halloween the school children and teachers wore some awesome costumes, saw a movie, had snacks and learned how to enjoy some quality time together. Grades K and 4 went trick or treating on Main Street to visit some businesses.

The month of October had some new academic tests. Students in grades 2-4 had their first round of MAP testing in Reading, Math and Language Usage. They all did an awesome job with following directions, taking their time and doing their best. The results of these tests will be given out very soon. I will be notifying the parents when to look for the results coming home and a guide on how to read the scores. I will be available to meet with any parents who would like to review the test scores and to answer any questions you may have on the MAP testing.

The month of October was a time for parent/teacher conferences. Thank you so much for your cooperation in attending these important meetings.

We had a successful book Fair. I want to thank Mrs. Tina Burgess for a job well done in organizing this fair for the school. We were able to reach our goal to be able to offer the fair again in the spring. Thank you to all who participated in purchasing books and supporting this event at SMRS.

Now, we look forward to the month of November. We are excited about are upcoming musical, *Annie Kids*, and hope that many of you will join us on Tuesday, November 20th at 6:30pm to share in the talents and gifts of

our school children. They have been busy with practice, and please watch for the important dates coming forth for technical/dress rehearsals dates and times.

November is a month where we remember our loved ones who have died. Please visit our web site, www.smrsbb.org to submit the names of family members whom you would like us to remember in prayer this month.

Thank you so much for your continued support to St. Margaret Regional School.

Principal of SMRS

CORI

All parents are encouraged to fill out the paperwork and watch the video to be able to attend field trips and to help with school activities. This was handed out at the parent meeting. If you need a copy, please stop by or call the school.

STRING CLASSES

The Suzuki method has started at the school on Friday afternoons.

BOX TOPS

SMRS are collecting box tops to benefit the school. Please have your child bring them in to school and give them to their teacher. As you enter the main door of the school to your right on the wall is a board that will track each grade. Each month a winning class will be announced. At the end of the year we will celebrate all of the donated box tops.

Special Guest

We were delighted to have Bishop da Cunha and the staff of the Catholic Schools Office visit the school. The school children shared with Bishop da Cunha how they live the school theme: Shine the Light of Jesus.

MASS

Mass on Friday: Reminder that we have Mass each Friday at 8AM. Parents are visited to join the school children.
