

July 17, 2019

Dear Families,

At the end of the 2018-2019 school year, St. John Paul II High School received notice that our partner textbook vendor, K12 Student Direct, would close as of June 1. After researching alternative book vendors, St. John Paul II High School has decided not to use a textbook company and instead empower families to purchase textbooks from the book store of their choice. Beginning with the 2019-2020 school year, the school will provide an annual booklist complete with links to web sites where the books can be purchased, as well as information about ISBNs, editions, and format (hardcopy vs. ebook). Please be aware that both the English and Theology departments require hard copies of all books. The other departments are flexible with the format. Prices will vary between titles and formats.

As you will see on the attached list, most of the textbooks are available from Amazon or Pearson. If a textbook is published by Pearson, the school strongly recommends that you purchase from Pearson; this is because Pearson has a proprietary browser-based platform (“Mastering” and “Realize”) for their textbooks. Amazon provides new, used, and rental options for their hardcopy textbooks, as well as purchase and rental options for their ebooks, which are accessed using the Kindle app (downloadable to Macs, PCs, iPads, and other tablets). If you are renting textbooks through Amazon, please be aware of the rental due dates because they may vary from St. John Paul II High School’s semester schedule. This may require you to renew an ebook rental during the year in order to retain access.

We apologize for any inconvenience due to this change. However, the booklist’s hyperlinks will help you locate the textbooks quickly, as well as to comparison shop for the best prices. Additionally, by purchasing ebooks from Pearson wherever possible, you will have access to the Pearson customer service team. It is our hope that you will have a better experience purchasing textbooks than ever before.

If you have any questions about textbooks and this year’s booklist, please contact our Textbook Coordinator, Ms. Annie Smith, at [asmith@jp.dfrcs.org](mailto:asmith@jp.dfrcs.org). She will be available in the fall to assist students with using the Kindle app and contacting the Pearson customer service team if they have trouble accessing the “Mastering” and “Realize” platforms.

Thank you,

A. J. Ballou  
Assistant Principal of Academics

# St. John Paul II High School 2019-2020 Textbook List

St. John Paul II High School no longer partners with a single online bookseller. Instead, the required textbooks for all courses appear in this document. Families are responsible for purchasing their children's textbooks by the first day of classes. Please be sure to check this document for ISBNs, edition numbers, and format specifications (hardcopy or ebook) so that you can place your order accurately. Where possible, this document provides hyperlinks to Pearson and Amazon, which you may want to use for your ordering. Many textbooks are published by Pearson and available with their proprietary, browser-based "Mastering" and "Realize" platform. It is strongly recommended that if a book is available through Pearson, you purchase it using the provided hyperlink. This means that your customer service for your order and ebook activation will be Pearson itself, not a middleman company. Additionally, for any textbooks that are not published by or available through Pearson, there are links to Amazon where you can select from a variety of options: purchasing new or used, renting new or used, purchasing an ebook, or renting an ebook. Amazon ebooks are accessed using the Kindle app, which must be downloaded onto each device used (the Kindle app is widely compatible with Macs, PCs, iPads, and other tablets.) If renting from Amazon, please be aware of the rental due dates because they may differ from St. John Paul II High School's semester schedule (and might require you to renew the rental in order to retain access). For all textbooks, you are welcome to comparison shop across other vendors.

Ms. Annie Smith, JPII Textbook Coordinator, is available to assist you with ordering and operating textbooks: [asmith@jp.dfrcs.org](mailto:asmith@jp.dfrcs.org)
