**Department of Performing Arts**

Dear Friend of Our School,

Warm greetings from the Catholic Schools of Cape Cod! As we begin to prepare our first of many programs for the 2019-2020 school year, The Department of Performing Arts at our school once again extends the opportunity to secure a program ad that supports our students while promoting your business to our extensive community. A commitment to sponsor an annual ad supports the many worthwhile endeavors of our committed students and our noteworthy Performing Arts program which includes the following:

- Four major concerts and three musicals (Elementary, Middle and High Schools)
- Concert Choir, Middle School Chorus, Elementary School Choir, String Ensembles and Bands
- Two major high school theatrical performances (fall and spring)
- An Annual Tour for our Concert Choir of 56 students
- Ongoing improvements to our excellent Performing Arts facilities
- Technical Theatre classes which have many enrolled students, all of whom support every production, from Elementary through High School.

At St. Margaret Regional School, we have greatly expanded and improved our Performing Arts Offerings over the past three years. Last year, we produced *Annie Kids*, as our fall musical, and this year we are in the midst of producing *Aladdin Kids*, for our production in late November. We also have a choral program, which includes Christmas and spring concerts. Our music classes received a new hymnal, and a commitment to learn the finest music that forms our Catholic faith tradition, as well as promoting musical literacy. Last year, we added a Suzuki String Program, which is open to all students (and a parent), so that students may learn violin or 'cello during the most critically formative years of Pre-K through Grade 4. In short, our Performing Arts program is built around forming a strong foundation for a lifetime of joy by developing the skills found within each child.

Additionally, we have done a great deal to expand our offerings at both the middle and high school levels. Four years ago, we released a professionally-produced CD (*The Music of St. John Paul II High School*), and our combined JP II and SFXP Choirs appeared on TV during the past four Decembers to benefit the annual Shelter Cape Cod Telethon. Two years ago, our High School Concert Choir toured to Rome, singing at two Masses on Sunday Morning, February 22, 2017 at the Chair of St. Peter, as well as at the United States Naval Base in Naples, Italy (our Choir was also featured on both FOX 25 News and NPR). We were delighted to take 60 students to share their musical talents abroad! Last year, we were invited to perform a full concert at St. Patrick's Cathedral in New York City, with organist Michael Hey. This year, we will once again return to New York City, and the surrounding area, to perform ourselves in many locales, as well as meet and see many Broadway shows. We share our music, quite literally, all over Cape Cod and the world! In order to do so much, however, we need your help, please.

Would you please consider sponsoring our students by placing an ad in our Performing Arts programs this year? **Every ad will run for the entire year, in every program that we print for our Performing Arts events, making it a bargain!** I am enclosing our **Program Sponsorship Form**, so that you can consider what level of sponsorship is best for you. We are grateful for your support!

**Thank you in advance for supporting the Performing Arts and exemplary Catholic Education on Cape Cod!**

Sincerely,

A handwritten signature in black ink, appearing to read "Richard Fish, Jr.", written in a cursive style.

Richard Fish, Jr., Director of Performing Arts

P.S. The tax identification number for your donation is 042-131-417.
